Golden OPEN Mediums

OPEN Acrylic Gel (Gloss)

The gel gloss is recommended for diluting colour making it more transparent while maintaining consistency and open time.

931354 119ml **£7.50**

931356 236ml **£11.50**

OPEN Acrylic Medium (Gloss)

The acrylic medium lowers viscosity and is recommended when a more fluid mixture is desired to increase flow.

937254 119ml **£7.50**

937256 236ml **£11.50**

OPEN Thinner

The thinner contains no binders and is used to maintain and adjust workability of colours on the palette without the use of water mist and moisturizing palettes.

935951 30ml **£3.75**

935954 119ml **£7.50**
