Water Washable and Non-Skinning.

A slow drying ink with an excellent tack. These inks work best on absorbent papers. Top quality pigments have been used to ensure excellent lightfastness.

To clean up these inks add a little household washing up liquid before washing with water.

Caligo Safe Wash Relief Inks

Applications: all types of relief printing (i.e. Lino, Wood Engraving, Wood Cut, Mono printing etc)

Caligo Safe Wash relief inks are designed to wash away safely and easily with hand soap and water, without the need for harmful and expensive solvents. However, unlike other inks, Caligo Safe wash are still oil-based and will therefore handle and print like a traditional oil-based printing ink.
