

LAWRENCE

Welcome

Welcome to our latest catalogue!

During the last quarter of 2009, we moved our mail order warehouse from Cornwall to Sussex and sadly, we had to say goodbye to our many customers in Cornwall who visited our shop within our warehouse. We hope to welcome Cornish artists to our fast mail order service whether placing telephone orders or via our comprehensive art supplies website.

As a company, we are making a great effort this year to reduce our carbon footprint. We now have an electric van (formerly a milk float) delivering our stock to our shop. We are also re-using as much paper, cardboard and other packaging material as possible and we recycle anything that cannot be re-used.

Between our shop and warehouse facilities in Hove, East Sussex we now have over 7,000 sq feet filled with art materials and equipment. We aim to keep every single item that we list in stock (with the exception of our larger presses), available for immediate despatch. In the coming months, we will be adding some exciting new ranges including Gamblin oil paints and mediums. Watch out too for some extra value, Lawrence branded brushes. These new products will be appearing on our website, soon.

If you get the chance, do come and visit our art shop in Hove – and remember that we have a customer car park at the back of our shop, for your convenience. The shop has recently been expanded and this has enabled us to display all our easels together as well as many other great new products.

We welcome your input and feedback on any aspect of our supplies or service.
