Art boards

The Art Boards range combines 25 years of experience in Architectural Woodworking and Custom Furniture with superior materials, methods and technology to bring you a quality range of supports for painting and drawing.

Natural maple painting panels

The panel's top surface is made of hand selected maple hard wood veneer and has a consistent tight wood grain. Its durability and strength comes from the multi layering aspen hard wood core. The panel is meticulously sanded ready for Gesso and ideal for any painting medium or application.

Art Boards Gesso

Art Boards Acrylic Panel Gesso is a premium painting ground. The Gesso completely seals and prepares the surface to accept paint. Specifically formulated for rigid panels & panels mounted with canvas or paper.

- Performs like a traditional gesso or oil primer
- Provides a vellum-like eggshell surface.
- Warm white tone that is brilliant and highly reflective.
- High in refined solids with a triple-cream consistency.
- Spreads quickly & evenly giving exceptional coverage.
- Receptive & responsive surface that interacts with paint.
- Dries quickly, is readily absorbent and easily sandable.
- Will not crack or leave bubbles.
