

Mediums & Additives

GOLDEN
ARTIST COLORS®

Phosphorescent medium

 934104 119ml **£19.50**
 934105 236ml **£34.95**

GAC 100 medium

For mixing with dry pigment.

 939106 473ml **£19.50**
 939107 946ml **£26.95**

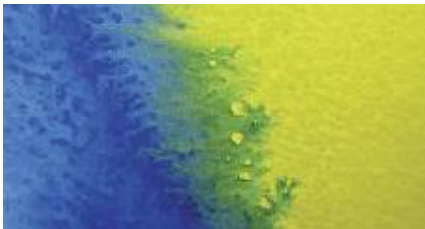

GAC 400 medium

A polymer emulsion which dries to a hard stiff film. Useful for stiffening supports eg canvas as a size.

 939405 236ml **£11.50**

GAC 900 medium for fabric

For mixing with dry pigment.

 939905 236ml **£11.50**
 939906 473ml **£19.50**

Acrylic glazing liquid – gloss

Designed for faux finishers, but found useful by painters to keep acrylic paint wet for longer.

 937206 473ml **£12.50**
 937207 946ml **£19.95**

Acrylic glazing liquid – satin

 937216 473ml **£12.50**
 937217 946ml **£19.95**

Polymer medium (gloss)

A general purpose medium for creating glazes, extending colours, enhancing gloss and translucency. Promotes flow and levelling.

 935105 236ml **£11.50**
 935106 473ml **£19.50**

 935107 946ml **£26.95**
 935108 3.78 ltr **£71.95**

Fluid matte medium

Extends fluid acrylic paint whilst decreasing gloss. Can be used as a clear gesso ground.

 935205 236ml **£11.50**
 935206 473ml **£19.50**

 935207 946ml **£26.95**
 935208 3.78 ltr **£71.95**

Matte medium

Extends heavy bodied acrylics and reduces gloss. Can be used as a clear gesso ground.

 935305 236ml **£11.50**
 935306 473ml **£19.50**

 935307 946ml **£26.95**
 935308 3.78 ltr **£71.95**

Airbrush medium

Designed to modify fluid acrylics for spray application. Decreases clogging and tip build up.

 935356 473ml **£19.50**
 935357 946ml **£26.95**

Retarder

Slows drying in acrylic paints and reduces skinning on the palette. Useful in "wet in wet" techniques.

 935804 119ml **£7.95**
 935805 236ml **£12.50**

Acrylic flow release

Increases flow of paint. Can be used to achieve rich stains on porous surfaces.

 935904 119ml **£7.95**

The Golden screen print medium is a water based medium designed to blend with Golden or other acrylic paints to convert them into a silkscreen ink. They are only suitable for use on paper and not for textile use. They increase working time and retard paint from drying in the screen.

Silkscreen medium

 936906 473ml **£12.50**
 936907 946ml **£19.95**

 936908 3.78 ltr **£51.95**

Varnishes

GOLDEN
ARTIST COLORS®

Polymer varnish is a water based varnish with UV light stabilisers providing a flexible protective film over acrylic paint. Removable with ammonia.

MSA varnish is a spirit based varnish with UV light stabilisers. Forms a very tough, protective film. Removable with turpentine. Suitable for exterior as well as interior use.

Golden Archival Varnish

A non yellowing archival spirit based varnish with UV filters suitable for spraying onto acrylic paintings or Inkjet prints, removable with White Spirit. Aerosol. NB: Gloss spray is needed as an isolation code for satin or matte varnishes on inkjet prints.

An unvarnished inkjet print with 1200 hours exposure to sunlight.

 Archival Varnish
£19.50
