

Flower and Fibre Rag

These are cotton rag papers with colour and texture from added fibres. Gunny is made with recycled jute sacking, Straw uses fibre from rice straw, Tea has tea dust, Algae has green strands of algae, Banana has leaf fibre from the banana plant and Bagasse uses sugar cane fibre. The flower papers are also made with rag (cotton) with petals from the following flowers: Marigold, Bougainvillea, Aster and Cornflower. Suitable for drawing in pastels, crayon or other decorative purposes.
