After skin contact: Wash skin with soap and warm water

5. Fire-fighting measures

Suitable extinguishing agents: Fire blanket, carbon dioxide or foam

Unsuitable extinguishing agents: Water (as this may spread the wax)

Protective equipment: No special equipment required

Special hazards: Spilled material may make surfaces slippery

6. Accidental release measures

Person-related safety precautions:	Remove persons from danger area
Measures for environmental protection:	Do not allow material to enter drains or water courses
Measures for cleaning/collecting:	Pick up mechanically and dispose of according to local regulations
Special hazards:	Spilled material may make surfaces slippery

7. Handling and storage

Handling:	No special measures required
Storage:	Store in a cool dry place, away from sources of ignition
Use:	Domestic candle. Refer to product label for further instructions and precautions

8. Exposure controls/personal protection

Exposure limit values:	None
Exposure controls:	None required
Respiratory protection:	None required
Hand protection:	None required
Eye protection:	None required
General measures:	Clean spills immediately

9 Physical and chemical properties

Form:	Solid
Colour:	WHITE
Odour:	Characteristic of wax
Melting point	>40°C
Flash point:	>200°C
Danger of explosion:	Product does not present an explosion hazard
Self-igniting:	Product is not self-igniting
Solubility in/ miscibility with water:	Insoluble

10. Stability and reactivity

Thermal decomposition/ conditions to be avoided:	No decomposition is used and stored as advised
Dangerous reactions:	No dangerous reactions known
Dangerous decomposition products:	No dangerous decomposition products known

11. Toxicological information

Acute toxicity:	Not classified as hazardous
Skin contact:	No irritant effect
Eye contact:	May cause some redness and soreness
Sensitisation:	Not classified as sensitising

12. Ecological information

Ecotoxicity:	Generally not hazardous for water
Mobility:	Low mobility. Insoluble in water
Persistence and degradability:	The product is not easily, but potentially degradable

13. Disposal considerations

Product disposal: Small quantities can be disposed of with household waste

14. Transport information

UN Number: Not classified

Class: Not classified

Proper shipping name: Not classified

Packing group: Not classified

15. Regulatory information

Labelling according to Directive 1999/45/EC guidelines:

Classification: Not classified

Symbol: Not classified

Risk Phrases: Not classified

Safety Phrases: Keep out of the reach of children

16. Other information
