Victory Etch (TNL 8993)

1. Identification

Victory Etch for lithographic printing.

2. Composition/Information on Ingredients

A solution of acidified gum.

3. Hazards identification

No designation of hazardousness under the clarification, Packaging and Labelling of Dangerous Substance regulations 1984.

4. First-aid measures

Eye contact	Immediately flush eye with clean low pressure water for 15 minutes. Seek medical advice.
Skin contact	Remove contaminated clothing. Wash off skin with water or soap and water. Apply skin conditioner.
Inhalation	Remove victim to fresh air. Seek medical advice.
Ingestion	Do not induce vomiting. Wash out mouth with water. Seek medical advice.

5. Fire-fighting measures

Extinguishing media	Use dry powder, foam or carbon dioxide.
Protective equipment for Fire-fighters	Standard.

6. Accidental release measures

Large spillages should be contained with absorbent material such as sand or earth. Neutralise with an alkali such as soda ash spread liberally. Mop up with plenty of water. Dilute with running water whilst running to waste.

7. Handling and storage

Normal working practice should be employed and exhaust ventilation used when handling. Store away from direct sunlight.

8. Exposure control and personal protection

Use in accordance with good industrial practice. Wear suitable eye protection if there is a risk of splashing and gloves.

9. Physical and chemical properties

Physical form	Liquid
Colour	Clear, Colourless
Odour	Mild.
pH of aqueous solution	1 - 1.5
Boiling point	Essentially 100°C
Melting point	Not applicable
Viscosity	Not determined
Flash point	Not determined
Flammability solid/gas	Not applicable
Autoflammability	Not determined
Explosive properties	Not determined
Oxidising properties	Not applicable
Vapour pressure	Negligible
Specific gravity	1.03
Water solubility	Soluble
Other solubility	None
Bulk density	Not applicable
Partition coefficient octanol/water	Not determined
Explosive limits	Not determined

10. Stability and reactivity

Thermal decomposition	Stable under normal conditions of use. A complex mixture of irritating fumes in fire conditions.
Hazardous reactions	Danger of spontaneous combustion of rags, cloths or inert absorbent soaked in product. Ensure these materials are dealt with properly (see accidental release measures).

11. Toxicological information

No data available.

12. Ecological information

No data available.

13. Disposal considerations

Dispose of according to a recognised method of chemical waste disposal.

14. Transport information

UN number	No data
IMDG code/class	No data
ICAO/IATA (air) class	No data
RID/ADR class	No data
ADNR class	No data

15. Regulatory information

No data available.

16. Other information

The information provided on this sheet is based on our knowledge of the product concerned at the date of issue. It is provided in good faith. Users should also bear in mind that risks may arise when a product is put to uses other than those for which it is destined.
